SUBJECT: No-Further-Action Decision Documents for Installation Restoration Program  
Areas of Concern

Concurrence from your office on the Air Force decision for No-Further-Action (NFA) at the Areas of Concern (AOCs) investigated during the Preliminary Assessment (Final Preliminary Assessment July 1994) is requested. These AOCs have been assigned site numbers under the Installation Restoration Program (IRP) for reference purposes and have never officially become sites that would require a Record of Decision.

The Air Force has previously prepared NFA decision documents that the Base Wing Commander or his designee has signed removing these AOCs from further consideration under the IRP. These NFA decision documents are attached to this letter for your information and have also been filed in the Administrative Record.

Written concurrence from your office will allow for property transfer and accelerate reuse of Plattsburgh Air Force Base. If you have any questions, please feel free to contact Mr. Brady Baker at (518) 565-7536.
